Re: The Flash

It was our great pleasure to have The Flash as one of our top-tier busker acts at the 20th anniversary of Kingston Buskers Rendezvous. The Flash, David and Tobin, have a very entertaining, extremely skilled act that was a hit with all who viewed it. They were picked by a Review Panel of local celebrities as one of the 8 acts for the finale which is one of the highlights of our four day festival. At the finale, they were voted, along with Dream State Circus, as the Best Overall Act in the festival.

David and Tobin were great to work with. I would highly recommend that they be included in your festival and would be happy to speak in person about them at any time.

Regards,

Jan
