To whom it may concern,

I had the pleasure of booking and working with The Flash (David & Tobin) for the 2009 edition of the Waterloo Busker Carnival, where they performed for the four days during our annual streetperformers festival.

The show that The Flash put on was fast paced, very engaging, packed with lots of incredible entertainment and provided plenty of awe moments and laughs for all audience members, no matter their age. Both David and Tobin do a great job of connecting with the audience, have a great connection with each other, are very charismatic, witty and funny! We're definitely a hit with our audiences and a great addition to our line-up of performers this year.

David and Tobin also participated in our Festival of Fools event which is an indoor fundraising show that we host every year. For this show they did their circus show juggling routine that was amazing. I've seen a lot of jugglers over the years, but I must say David and Tobin blow me away and we've gotten lots of feedback about how amazing their piece of the show was.

I must also mention that David and Tobin were both an absolute pleasure to work with. They were very professional, easy to deal, approachable, dependable, very appreciative of everything and provided us with some great feedback on what we could do to improve our event. Two high quality people to work with.

I would strongly recommend The Flash for any indoor or outdoor event ranging from a streetperformers festival to a corporate event to a private event! You will not be sorry at all.

Yours truly,
